SECRETARY SHERMAN

Is Seriously Ill at His Wash-
ington Home.

FATAL CYCLONE IN OHIO.

Prospectors Rushing to Seattle by
the Thousands.

LATEST NEWS BY TELEGRAPH.

Washington, D. C. July 23.—
Secretary of State Sherman is seriously
ill and his friends are much
alarmed over his condition.

A FATAL CYCLONE

Damages Things Generally in an
Ohio Town.

Youngstown, O., July 23.—A ter-
rible storm passed over this city last
night. One man was killed by fall-
ing timbers, while several persons
were injured by lightning. Houses
were unroofed, and a number of
bridges were washed down by the
flood of water. The damage to prop-
erty will be very high.

ON TO ALASKA!

Is Still the Cry of Thousands of
Fortune Seekers.

Seattle, Wash., July 23.—The
rush of prospectors to this city is in-
creasing and the city is crowded.
Three thousand have arrived since
yesterday. The oldest miners have
never seen a gold mine like this one.
Only a small part of the prospectors
can possibly find passage to Alaska
without a delay of several weeks.
Every steamer that can be spared
will be pressed into service.

HER HUSBAND IS INNOCENT.

A Convict Confesses to the Murder
of Mrs. Hinshaw.

Indianapolis, Ind., July 23.—A
convict has confessed to the murder
of Mrs. Hinshaw. Her husband was
convicted of the murder on circum-
stances, and is now serving a life
sentence for it. The convict's con-
fession has created a great sensation.
His statement will be investigated at
once. Many think that his con-
fession is true.

FIGHT WITH INSURGENTS.

The Brazilian Troops Win a Pro-
nounced Victory.

Canudos, Brazil, July 23.—A de-
perate fight took place here this
morning between the insurgents and
the government troops. After almost
destroying the city with shells, and
a great loss of life to the defenders, the
city surrendered.

CLUBBED AND ROBBED.

Peddler Badly Hurt By an Un-
known Negro in Caldwell
County.

Princeton, Ky., July 23.—T.
Biley, a peddler, was struck with a
heavy budgeon on the head yester-
day afternoon at White Sulphur
near here, by an unknown negro and
robbed of his watch and a roll of
money. The negro made his escape
and Biley is in a precarious condi-
tion from his wounds.

TONS OF WHEAT.

Being Shipped to Brazil From the
Pacific Slope.

San Francisco, July 23.—That
there is an actual shortage in wheat
in the Argentine Republic has been
demonstrated by the chartering of
two big ships to carry wheat to Bra-
zil, one of them, the Combiabank,
\$1,128 register, being already loaded
and ready for sea. The other, the
Creighton, 2,000 tons, is ready to
begin loading at once. These ships
will carry a large store of grain to
the Brazilian capital, the first time in
the history that a cargo of the kind
has gone from here to that port.
Brazil has always depended upon the
Argentine for its wheat supply heretofore.

SILVER IS NOW ON THE DECLINE.

The Recession in Price Came
With the Gold Discoveries
in Alaska.

New York, July 23.—The "Her-
ald" says:
Bar silver has declined to the low-
est price in two years, and private
dispatches from abroad received in
Wall street are to the effect that the
holders of the white metal have
"weakened." Some of the bullion
brokers assume that this means that
the silver pool which was formed
abroad more than a year ago was
liquidating its holdings.
Other brokers were of the opinion
that the holdings of the pool had
been liquidated some time ago, and
that the increased demand for silver
in the East, through the adoption of
the gold standard by Japan, among
other reasons, was responsible for
the decline. Outsiders generally

INTENSE EXCITEMENT

New Prevalence in the Pittsburg
Mining District.

IMPORTANT MEETING TODAY.

Work of Agitators in the Coke
Region Unsuccessful.

STRIKE NEWS IN GENERAL.

Pittsburg, July 23.—Excitement
was at fever heat in local coal mining
districts yesterday. The operators
were apparently prepared for any
demonstration, and before nightfall
they were convinced that matters
had taken a serious turn. Early in
the morning about 500 miners from
the Finleyville district marched on
the Banola mines on the river and
succeeded in bringing the men at
work out. Sheriff Lowry, of this
county, has a force of deputies ready
for duty at a moment's notice, and
trouble is looked for at any time.

The miners' leaders continue at
work in an effort to get the miners
in the Connelville coke region out,
but dispatches from Uniontown and
Dunbar indicate that they are meet-
ing with poor success. A Uniontown
dispatch says the leaders are very
much disheartened and admit pri-
vately that they have failed to create
any strike sympathy. The Redstone
miners, it is claimed, will be back
next week. Dunbar dispatches say
there is very little probability that
the coke region will become a factor
in the strike.

The arbitrators were at work
among the Pittsburg operators yester-
day, and they are trying every
means to bring about a meeting of
the operators. No far they have
been unsuccessful in arranging for a
meeting, but it is hoped to accom-
plish shortly.

LEADERS IN CONFERENCE.
Things Getting Worse for the
Striking Coal Miners.

Pittsburg, Pa., July 23.—A meet-
ing of the leaders of the great coal
miners' strike will be held this after-
noon to devise ways and means to
win the fight. Things are getting
worse and many of the strikers are
depressed and are ready to go to work.
Much depends upon the result of this
afternoon's conference.

More Illinois Men Out.
Peoria, Ill., July 23.—Between
350 and 400 miners from Mineauk,
Tolono and Blandford marched to
Bessemer this morning, arriving there
about 4:30 o'clock. Their coming
was learned in advance and some of
the miners went to work. Some
with them and decided not to work.
After the meeting the visiting miners
went away.

Strikes at Ohio Bend.
Pomeroy, O., July 23.—The 700
miners in what is known as the Ohio
Bend today quit work and joined the
strike. This part of the Ohio mining
region belongs to the West Virginia
district of the miners. Their coal
is shipped by river and the same line
of railway as that of the West Vir-
ginia mines.

Cleveland Situation Easier.
Cleveland, O., July 23.—The
failure of the miners to make any
headway in West Virginia has had
the effect of causing a much easier
feeling in the local market. Local
operators today regard the strike as
more complicated than ever and a
long way from settlement.

BOTH EYES
Shot Out of Mattie Bailey's
Cov.

Bill Lucas, Colored, Warranted
for the Offense.

Bill Lucas is the name of a colored
resident of the Clark's River section.
Bill is in trouble again, a charge be-
ing preferred against him before
Justice Winchester this morning for
killing a very heavy, being fine and
imprisonment, or both.

Mattie Bailey, wife of Peter Bailey,
colored, who is a cook at the Palmer,
preferred the charges. She also re-
sides in that neighborhood, and
owns a cow.

It appears that Lucas has a fence
about three feet high around a little
patch of corn, and over this fence his
neighbor's cow jumped. He went

A Peanut Thief Goes to Jail for
Two Months.

Wm Amick Released on His Own
Recognition.

Henry Coats, the colored rouser
arrested for stealing peanuts on the
Clyde and held over this morning,
was tried before County Judge Tully
and sentenced to two months in the
county jail for petty larceny.

William Amick, held over for
stealing a cow from his brother-in-
law, was taken before Judge Tully
this morning and tried on a charge
of petty larceny. He was released
on his own recognition to answer at
the September term of court.

Deputy Jailer Grady is in receipt
of a letter from Ira B. Ritter, the
man arrested here recently and car-
ried to Chicago to answer to a charge
of embezzling \$5000. Ritter has
given bond, and is now in St. Louis.
He says there is nothing in the case,
and that he will be cleared. He says
he will come to Paducah soon to re-
new old acquaintances.

Motorman Lee Ballows and Miss
Laura Le Collier were licensed to
marry today. The wedding takes
place Sunday.

HARD LUCK

Is What Paducah Horses Are
Running In.

Two More Lost Out.—Started Yester-
day at St. Louis.

Two more Paducah horses have
lost out. At St. Louis yesterday
Zeno Ayres, Mr. D. I. Lewis' horse,
was last in the race.

Coq. Simmons also ran in another
race, and went way behind the
pack. Paducah horses have been losing
steadily all the season, and it is pre-
dicted that they will all soon be com-
ing back home.

ALLEGED WIFE-BEATING.

Charges Preferred Against
Judge Spence.

Charged With Beating Mrs. Sarah
Spence, His Wife.

Ex-County Judge James Spence
was warranted by Judge Sanders this
morning on a charge of assaulting
his wife, Mrs. Sarah Spence.

The latter appeared before the
Judge this forenoon, and told a re-
volting story of how she has been
orally treated by her husband. She
claims that he attacked her last night
and beat her, in addition to abusing
her in many other ways. She had
marks on her face inflicted by violence
of some sort.

The couple reside on South Second
street, and have not gotten along
well for some time, the wife having
filed a suit for divorce some time
since.

The case will be ventilated in Judge
Sanders' court tomorrow.
Judge Spence was not required to
execute a bond, but was at the city
hall this afternoon, badly disfigured
about the head. It appears that his
wife did a little fighting as well as
himself.

Well Known Resident Dead.
Mr. August Stumeyer, aged 63,
died yesterday afternoon at his home
on the Cairo road, a few miles from
the city. He leaves four children,
among whom are Mrs. Henry Koer-
ner, of Texas, and Mr. Herman Stum-
meyer, of the city. The funeral took
place at 10 o'clock this morning,
services by Rev. Brueckner. The in-
terment was at Mt. Olivet.
